Selection of Advisory Board Secretary 08 November 2016

I am pleased to announce that the Advisory Board has selected someone to take the position as Advisory Board Secretary.

I am happy to welcome Doreen Harunaga-Ewing as our new Secretary. Welcome aboard Doreen, and please know that all of the members of the Advisory Board are great to work with and can also answer questions if I am not available.

Doreen and Patrice have been working together and putting together the first set of Minutes that will be submitted shortly for the Board's review and approval.

I truly appreciate the interest shown by several members of our USGW community and have advised our other interested applicants that we have chosen our new Secretary, and asked them to consider submitting their interest in the future should another position open again.

Help me welcome Doreen to our Board and Board list. Patrice is managing her membership so she can review and prepare Minutes. Once Doreen submits the

current minutes for October, I am requesting that she go back and pick up where things were left off so we can get the minutes caught up.

I want to also thank Suzanne Shepherd again for the great work she did consistently for the Advisory Board and The USGenWeb Project. Thank you, Suzanne. We do appreciate everything you have done for the project.

Executive Session to 20 November 2016

Discuss National

**Webmaster, Assistant
Webmaster Positions**

With this post, we will now go into Executive Session to discuss the submissions received for the above two positions.

After this, we will be returning to normal required issues that need to be addressed.

Thank you.

29 November 2016

The AB is out of executive session where they were discussing the selection of a National Webmaster and Assistant National Webmaster.

As the AB members were in agreement, can I please hear a motion to appoint by general consent the individuals selected?

Thank you.
